

ALAMO STONE

CHALK PORCELAIN TILE

CHALK WHITE

CHALK SILVER

CHALK GREY

CHALK DARK

Chalk 3"x12" porcelain tiles are available in 4 colors: Chalk White, Chalk Silver, Chalk Grey, and Chalk Dark. Mix them to create striking monochromatic patterns, or install them in an interesting configuration for added flair.

Chalk porcelain tiles brings to you the vintage style of brick, the modern feel of concrete, and all the technical advantages of porcelain tile, like low water absorption and thermal shock, chemical, and deep scratch resistance.

PRODUCT HIGHLIGHTS

The **Chalk** porcelain tile collection was designed to convey an abundance of tactile sensations with the fascinating irregular texture of concrete, which becomes more evident on the sides of each piece.

The **Chalk** porcelain tiles will surprise you with the combination of geometric simplicity and its ability to be mixed into surprising subtle patterns to render a stunning monochromatic effect.

Each tile measures 7.5 x 30 x 0.85 centimeters, or about 3 x 12 x $\frac{5}{16}$ in. The full-body color technology of these sintered porcelain stoneware tiles will undoubtedly give you the best balance of beauty and durability.
