CAMBRIDGE COLLECTION

Timeless Grandeur and Old-World Charm

Step into the legacy of classic European architecture with the Cambridge Collection, where sophistication meets rustic appeal. This exclusive estate collection is meticulously crafted to evoke an old-world charm, perfect for conveying a true sense of grandeur in any residential or commercial project.

The collection offers a sophisticated architectural aesthetic through its versatile finishes. Choose our tumbled stone to achieve the weathered elegance of a historic manor home, or select the non-tumbled version for a crisper, more refined look. Available in Sawn Heights ranging from 4" to 10" and Rough Chop options from 3" to 10", this collection provides the flexibility needed to suit any architectural vision.

Let Alamo Stone elevate your project with the Cambridge Collection, providing a timeless look and the enduring character of European-inspired stone for an unparalleled finish.
